Veteran's representatives are available to work exclusively with Veterans and provide information in areas such as employment and career development, goal setting, skills analysis, transferrable skills, resume formats and preparation, interview skills and techniques, and a variety of other local Veteran related resources.

In addition to assisting Veterans in preparing for their job search, we can assist you in exploring the local labor market, contact employers on your behalf, and a variety of employment and career development services designed specifically to meet your needs.

Be on time, bring pen/pencil, bring resumes, and dress appropriately for possible job referral(s) as we will have employment and schooling presenters attending.
