

Thousands of veterans have made PepsiCo their professional home, and we're proud to be one of the largest employers of veterans in the United States. We've seen first-hand how the skills, training, and dedication to teamwork that veterans bring to our teams drive results. In 2019, we hired over 1,200 veterans, and we're looking for more.

Including the following and I will notify the appropriate recruiting team that they have a veteran applicant so they have visibility.

- Exact name of the position applied for including the job number, as listed
- Exact location of the position applied for, as listed

Below are a few suggestions I give all our veteran candidates

- Join our Veteran talent community <https://pepsico.avature.net/veterans>
- Make sure you meet the Basic Qualifications, in the job description, before applying to a position.
- Also make sure you meet 50% - 75%, or more, of the Preferred Qualifications. This will improve your chances of getting an interview.
- Feel free to apply to more than one opening!
- Email me! This way I can notify the hiring managers that I have a veteran applicant for their opening.
