Once again, A Combat Veteran's Hope is hosting a Veterans Day golf tournament to help fuel the programs helping to change and save lives! In 2015, ACVH was founded with the intent to supplement activities offered by larger organizations. It was clear that more had to be done to support our Heroes and their families.

Four years later, we have added more programs such as financial assistance, Peer Group sessions, outdoor activities, monthly dinners, and other engagement and education events. Through these events, we are hosting over 15 opportunities every month! We are becoming the leader in the valley supporting those that have gone to war and their families. Last year, we provided over 1,000 different opportunities for Combat Veterans and their families to participate in engagement and education.

There is more work to be done and we need your help! By participating in this tournament as a golfer or sponsor, you will help fuel our programs that our Veterans depend on to lead happy and healthy lives! If you cannot play yourself, we invite you to sponsor a combat veteran to play.
