## Thank You!

A Combat Veteran's Hope is super excited for another fun-filled year! We want to take this opportunity to thank all our volunteers that have helped us in the past and those that have just signed up! We can't wait to see you all!

We have many goals to accomplish this year and we rely on your assistance and commitment. You can help us achieve our goals to make each event a memorable one for our Warfighters!  
Thank you!

## Volunteer Perspective

"I like to volunteer for ACVH because I can interact directly with those who have served and our community. Volunteering for ACVH events allows me to see the local impact for Veterans and their families. It makes me happy to see that what I do brings them happiness.

I'm so glad I chose to help ACVH in their efforts to give back to those who served."

- Racquel Garcia, ACVH Volunteer for 2 years
